

TANKSAN - Tank manufacturing for over 30 years

tanksan
Tank Manufacturing Co.

TANKSAN
Tank Manufacturing Co.

About Us

Tank Manufacturing: Manufacturing and installation of underground and aboveground tanks, LPG and Atmospheric food and industrial stainless steel tanks, stainless steel tanks fabrication and installation of all types of factory or on-site construction works.

Steel construction: Factory, building, highway, bridge fabrication and erection of steel structures.

Manufacturing and installation of steam and hot water boilers

Metal fittings for all the media to, piping, pressure piping, pipe laying works

Water purification devices, fabrication and installation of sand filters

Heating Exchangers, Hot water heat exchangers, fuel oil

Fire Sprinklers and the main collector and pump assembly and welding jobs in manufacturing office air-conditioning installation

All welding of metal components
